

# **ERIE HUNT & SADDLE CLUB JUMPER DERBY**

**Sunday, August 7th, 2016**

**What is a jumper derby?** A jumper derby is where stadium meets cross country in a fun and inviting atmosphere. The course begins in the arena over stadium jumps that will fall if hit, you then travel outside the arena where you are challenged with immovable cross country obstacles, the course then returns you to the arena where you finish going over stadium jumps.

**Who should enter?** Anyone who would like test their skills over a changing jumping course. For those who would like to event it is a great introduction to cross country and for those who enjoy hunter/jumpers is a nice change of pace and a great way to bring variety to your training.

**How is it run?** Each division has three separate rounds/classes that you can compete with an optimum time. A jump off over stadium jumps only will be used to break any ties. A horse/rider combination may only enter in one division but a horse can be used for two divisions (with different riders for each division) and a rider may ride more than one horse.

**General Rules and Regulations:** In general will run according to USEA rules where applicable . The organizer further reserves the right to combine or split classes within division if entries warrant. No classes will be run out of order.
