

6840 Old State Road, Edinboro, PA 16412

Hello,

The hunter show at Erie Hunt & Saddle Club is this coming weekend, July 2-3. I am looking for help on Sunday, working with Barb Nash in the food concessions. We are going to run a food stand this year, nearer to the rings, to make accessibility easier. I am looking for a couple of people to help out with this. Please call or email me to let me know you are available. My phone number is 814-434-3319, and my email is lewtrumble@aol.com. The hunter show is a fairly significant source of income for the club, and with the loss of the LHPC Horse Trials we need to do what we can to cover the financial loss of that.

I am also looking for someone to sit with Peg Hull in the announcer stand on Saturday. Any time you could give, so that Peg has breaks, would be appreciated.

Additionally, some help on Friday afternoon and Sunday morning, in the show office would be beneficial. This is to aid in taking entries, etc.

And of course, help on Sunday, around 3:30pm, we can use help tearing down and putting the grounds back to "normal".

If you're not able to help out, but are willing to donate something to the concession stand, that is also helpful! Donations can be dropped off in the clubhouse Friday afternoon. Cases of water, soda, and any types of desserts are helpful!!

Thank you in advance to those of you who are able to give some time to the club!! Again, call or text me at 814-434-3319 or email me at lewtrumble@aol.com. Hope to see you all this weekend!!

Did I mention the Barn Picnic on Friday evening and the Pizza Party on Saturday evening? ☺

Best, Lew
