Ron has been coming to SFF for three years. He holds a Reitlehrer FN, which is the German master's degree in Horsemanship, and furthered his dressage training under the tutelage of Dr Reiner Klimke, George Theodoresco and Jo Hinnamen. He is an accomplished FEI rider and coach, he owns Crown Dressage International and he is a wonderful clinician. Ron trains all levels of dressage, from Basic through Grand Prix. He has 40 years of international experience and his love of teaching is easy to see through his kind manner and charismatic ways.

We invite you to come and audit this Master in the field of dressage. WE are sure you will come away with some ideas of how to make the relationship with your horse better.

We would love to see you. Auditors are welcome by donation.
