

Membership Benefits

Please consider becoming a member of our nonprofit, 100% volunteer based group.

You will have access to the grounds during our open season from May to October, with the permission of the President or Vice President. Other benefits include discounts on stalls for most activities, first chance sign-up for popular events and clinics, a membership directory, the annual show book and monthly newsletter mailed or emailed to you, and the opportunity to interact with and be around other like-minded horse people and their beloved animals.

As of 2017, as a benefit of membership, all dues-paying members will have free registration for Year-End Awards. However, please remember, that you **MUST** register to have your points counted.

We need and depend on our supporting members to keep the club alive and well. Members who work at shows and work days can earn EHSC bucks, redeemable for class fees, membership, the year-end awards banquet, and more.

Please consider becoming an active, supporting member. Membership dues are just \$30 for an individual (18 and older), \$50 for a family, and \$100 for an associate (non-volunteering). Contact membership chairperson:

Checks are payable to Erie Hunt and Saddle Club, or EHSC. The membership form is included in this booklet, and can be found on our website at www.eriehuntandsaddleclub.org.

Gift Certificates

Erie Hunt and Saddle Club gift certificates are a great gift for birthdays, congratulations, or just to wish someone good luck for the show season. They may be used for membership dues, show entry fees, and stabling fees. (They cannot be used for Horse Sports in Erie, or the clubhouse kitchen). Mail gift certificate amount, your mailing address for return, and a check to EHSC to:
