Year End Awards

Rules

1. No horse or pony may accumulate points at any event unless the completed registration form has been received by the Year End Points Coordinator prior to entering the ring in a class for which the pony and rider may collect points.
2. A horse/pony may have different riders during the year. Only points collected while the horse/pony is registered with the Erie Hunt and Saddle Club count toward year end awards. If both riders have registered the animal, then points collected under each rider shall be counted. Horse/pony and rider combinations must remain in the same position for points to count.
3. Points may be collected at all EHSC Horse shows, dressage shows, combined testes, and hunter paces. No points will be collected in classes limited to a specific breed or breeds.
4. Horse/pony will be assigned a number for each show. If someone other than the registered rider is to ride the horse/pony they must use a different number.
5. The name of the registered horse/pony must remain the same for the entire show season. This name must be used when registering for classes and shows. Failure to use the same name for entire show season will result in a loss of point, this is the only way to accurately track each horse/pony and rider combination.
6. Riders age is determined as of Dec 1 of the previous year. Horses age is determined as of Jan 1 of this year.
7. All walk/trot points will be forfeited if horse/pony and rider move up to canter classes.
