Ranch Classes- A natural and workmanlike appearance of the horse is preferred. Banding of the mane and use of tail extensions are not expected but will not be penalized. Workmanlike apparel and tack is acceptable and encouraged.

Ranch Trail-Exhibitors performing in a ranch trail class are asked to maneuver through six to nine obstacles that resemble the things that would be encountered during every day riding on a ranch. The horse is judged on a natural ranch horse appearance, and credit is given for a horse that performs the pattern smoothly, with willingness and efficiency. The horse will be asked to walk, trot and lope (or walk-trot) during the pattern

- Obstacles may include
 - riding over obstacles (such as logs)
 - passing through a gate
 - Backing
 - Riding over a bridge
 - Side passing
 - Dragging (open and amateur only).

Ranch riding – This class measures a horse’s ability to be a pleasure to ride while being used as a conveyance from performing one ranch task to another. The horse and rider are asked to perform a pattern that may include changes of gait, extension of gait, crossing logs and lead changes. All maneuvers should be performed as if the horse was being used on a ranch, and the horse should demonstrate a high level of training, relaxation and quality of movement in all gaits. Patterns will be selected from the PA4-H Rulebook. Copies will be available the morning of the show.

Ranch Pleasure-Light contact will be rewarded and horse shall not be shown on a full drape of the reins. Manners and responsiveness of the horse while performing and the quality of movement are the primary considerations. Gaits should be reasonably forward moving, free flowing, and ground covering. Transitions should be smooth and timely. Posting or standing at the extended trot is acceptable. Touching or holding the horn at the extended trot is acceptable.
